

# Season's Greetings!

---

Can you solve using *ONLY* mental math? (+++)

$$\text{snowman} + \text{snowflake} + \text{glove} = 30$$

$$\text{snowman} + \text{snowflake} - \text{glove} = 20$$

$$\text{snowman} - \text{snowflake} = 5$$

$$\text{snowman} - \text{glove} + \text{snowman} = \underline{\hspace{2cm}}$$
