**Greg Tang Sr.** has done over 4,000 workshops, conferences and school visits in the past 19 years. He is the *NY Times* best-selling author of *The Grapes of Math*, gold medal eBook *Math Appeal* and 6 other books from Scholastic. His website GregTangMath.com has over 78 million page views and is a cornerstone of school curriculums across the country.

**Greg Tang Jr.** does more than 200 onsite teacher workshops, student enrichment visits, and family math nights each year. He is the creator of Tangy Tuesdays™ and inventor of many popular math games including Ten Frame Mania™. He is a master game developer, computer programmer, and favorite among students, teachers and district math specialists.

**Tammy Tang** is the author of 10 best-selling technology books and is a keynote and featured speaker at many of the largest technology conferences in the U.S. including ISTE, TCEA and FETC. Tammy works with K-12 teachers and students around the country and specializes in finding more creative and effective ways to apply technology.
